## Exceptional Location

## Multiple Choices

**208,000 square feet** of exhibit area make Piers 92/94 the second-largest facility in New York City. Connected by a spacious and welcoming headhouse, Pier 94 offers 133,000 square feet. Pier 92 features 75,000 square feet of contiguous exhibit space.

“Exhibitors praised the gallery-like feel of the venue. Because of the *flexibility* in the fair’s layout, there is a playful and slightly unpredictable feel as visitors walk through the space.”

Piers 92/94 enjoy a prime geographic location in **Midtown West** on the Hudson River, steps from Central Park and near Times Square. The Piers are just a stone’s throw away from all Manhattan has to offer, providing an amazing way to learn or rediscover the best of New York.

“The location also added an important element to the fair; the *proximity to the water* accentuated the worldliness of the show.”
