Puneet Agrawal

Bio of Puneet Agrawal, Chief Strategy Officer

Puneet Agrawal is a professional trader who manages and trades electricity in some major power markets of the US at a hedge fund in Houston, Texas. His core dedication and focus over the past few years has been to study and master the art of trading power spreads. He has extensive knowledge, proven abilities and a wealth of experience in many areas of the power market. He loves working with startups and has been an active angel investor. His specialties are fundamental analysis and gut instinct.

Puneet graduated from the Indian Institute of Technology, Varanasi in 2006. Thereafter, he moved to the US for higher studies and graduated with a master's degree in Material Science from University of Pennsylvania.

In his free time, Puneet likes to play sports and read...about markets 😊
